

ONEFLEX Ultimate

The One when Performance Matters Most

Why ONEFLEX Ultimate?

Exclusive Technology

Greater repeat lengths, higher speeds, and exclusive high-end technologies make ONEFLEX Ultimate the high-performance platform within the ONEFLEX family. Key components are engineered to minimize bounce and support exceptional print stability, delivering the precision and reliability required for the most demanding high-speed production.

Ultimate Performance

For customers who need more. ONEFLEX Ultimate stands for maximum performance, superior print stability, and uncompromising print quality – engineered for demanding flexible packaging applications.

Built to Lead

ONEFLEX Ultimate gives customers the performance reserves to master complex jobs with confidence, increase productivity, and consistently deliver premium quality. For those who do not just produce – but set benchmarks.

Your Advantages

- ✓ Stable high-speed printing with no bounce
- ✓ Consistent premium print quality across demanding jobs
- ✓ Higher productive output with reliable repeatability
- ✓ Robust, repeatable production for performance-critical applications
